About the Minnesota Power Foundation

The Minnesota Power Foundation is the major giving entity of ALLETE. The company is a reliable provider of competitively priced energy in the Midwest. Minnesota Power, an operating division of ALLETE that has serviced customers since 1906, generates, transmits, and distributes electricity. Other businesses include BNI Coal in North Dakota, Superior Water Light & Power in Wisconsin, and ALLETE Properties with real estate in northeast Florida.

The Foundation's programs reflect a commitment to build stronger communities, support education, promote arts and culture, and preserve our natural resources. Our scholarship programs reward committed college students who are positioning themselves to live, work, and prosper in northeast Minnesota and the region.

Application Eligibility

Must be a full-time student entering his or her junior or senior year and studying for a Bachelor's Degree in one of the following fields:

- Engineering—Electrical, Mechanical, Chemical, or Civil
- Econometrics
- Elementary or Secondary Education—Math, Science, or Industrial Education
- Environmental Sciences
- Mathematics

Students must be attending one of the following educational institutions:

- Bemidji State University
- College of St. Scholastica, Duluth, MN
- University of Mary, Bismarck, ND
- University of Minnesota-Duluth
- University of North Dakota, Grand Forks, ND
