## **Minnesota Power Updates Wind Resource Request**

Minnesota Power has updated its Wind Resource Request originally released on December 3, 2010. An updated Request for Proposal has been posted to Minnesota Power's website at [www.mnpower.com](http://www.mnpower.com) under "Rates & Rights" in the "Customer Service" section of the website.

An addendum to the original request identifying the changes "Addendum #1" is also posted to this site for all interested parties who have already downloaded the original Resource Request file.

Minnesota Power provides retail electric service within a 26,000-square-mile area in northeastern Minnesota to 144,000 customers and wholesale electric service to 16 municipalities. More information can be found at: [www.mnpower.com](http://www.mnpower.com).

*The statements contained in this release and statements that ALLETE may make orally in connection with this release that are not historical facts, are forward-looking statements. Actual results may differ materially from those projected in the forward-looking statements. These forward-looking statements involve risks and uncertainties and investors are directed to the risks discussed in documents filed by ALLETE with the Securities and Exchange Commission.*
