

School Rules!

–Donna Hartung photo

THROUGH THE “Learn and Earn” program at Crosby True Value and Deerwood True Value and sponsored by Minnesota Power, Minnesota Energy Resources, and Crow Wing Power, C-I Schools received \$1-\$2 from every qualified purchase of energy-saving furnace filters, CFL bulbs and LED holiday lights during October and November. The \$1,300 raised by the school will benefit energy and environmental education. Shown with the entire Cuyuna Range Elementary School fifth-grade class at the

presentation of a check and certificate recognizing energy consciousness are (front, center) Dan Travica, regional account manager for Minnesota Power (back, l-r) Principal Mindy Jezierski, teacher Jeanne Simmonds, Schools for Energy Efficiency Program Consultant Becky Sasss, Amanda Oja from Minnesota Power, paraprofessionals Jan Sasker and Craig Lubovich, C-I Energy Efficiency Coordinator Tim Sarych, Community Education Director Dale Sova, and teacher Jeff Sipper.
