Remembering Jim Carlson

It is with sadness that we pass on the news that one of our long time members has passed away. James L. Carlson, of Hermantown, died March 31, 2009 at St. Mary's Medical Center after a courageous battle with Leukemia. Jim started his career at Arrowhead Concrete Works at the age of eight and helped run the family owned operations until his retirement of daily participation in 2006. He was a Life member of Arrowhead Builders Association and was it's President in 2002, and has been practically a one man Homes on Parade Committee for many years. He will be sorely missed.

Jim was also a member of the Builders Association of Minnesota, National Association of Home Builders, Trinity Masonic Lodge, Scottish Rite Bodies-Valley of Duluth, the Aad Shrine, of which he was to be Potentate in 2010, Superior Elks Lodge, Kitchi Gammi Club, Past Director of Duluth Building Exchange, Past President of the ARM Board, Hilltop Lions Club, MN Arboretum and many other civic and fraternal Associations. Jim had also served on the Hermantown Planning Commission.

Homes on ParadeSM publication available May 4th in Holiday Station Stores, Super One, Cub Foods, Holiday Center and other local businesses.
