

Save Energy and Benefit Ending Homelessness 2009 in St. Louis County Contribution Coupon

May–July 2009

Sponsored by

Heading Home St. Louis County and Minnesota Power

From May through July 2009, Minnesota Power will make a contribution (\$1–\$25) to the **Heading Home St. Louis County Ending Homelessness** fund for each qualifying ENERGY STAR® product purchased or old refrigerator/freezer rounded up, to a maximum contribution of \$10,000. As a Minnesota Power customer, you will receive a \$2–\$50 rebate while ensuring a contribution towards this cause.

You must be a Minnesota Power residential customer to participate in the rebate and contribution.

Qualifying Products:

Quantity	MP's Contribution
_____ ENERGY STAR® CFL Light Bulbs	\$1 per bulb
_____ ENERGY STAR® Clothes Washer	\$15
_____ ENERGY STAR® Refrigerator	\$15
_____ ENERGY STAR® Dehumidifier	\$15
_____ Round up an old, working refrigerator or freezer	\$25
(Call 1-866-552-6755 to place your pickup order. Tell the customer service person you are participating in the Ending Homelessness program.)	

Attach this contribution coupon to the mail-in rebate available at local ENERGY STAR® product retailers or online. Use a separate coupon for each type of product purchased.

Visit www.mnpower.com/endhomelessness

for a complete list of ENERGY STAR® product retailers and for more contribution coupons, or look for the *Save Energy and Benefit Ending Homelessness* poster in the store. **Note:** This offer is not valid with any other special offer.

Save Energy and Benefit Ending Homelessness in St. Louis County

A growing number of children and families are homeless in our communities. Minnesota Power has partnered with Heading Home St. Louis County to help end local homelessness while encouraging energy efficiency in homes. When you purchase an ENERGY STAR® qualified light bulb, refrigerator, clothes washer, and/or dehumidifier from a local ENERGY STAR® product retailer, or you turn in that old energy hog of a refrigerator or freezer, you get a rebate and Minnesota Power makes a contribution of \$1–\$25 to the Heading Home St. Louis County Ending Homelessness fund, up to a maximum of \$10,000.

How It Works:

- 1** Shop at a local retail store selling ENERGY STAR® appliances and light bulbs. (Visit www.mnpower.com/endhomelessness for a complete list of ENERGY STAR® product retailers.) Purchase a qualifying product and send in the rebate form (available at store or online) with sales receipt and attach a contribution coupon to ensure Minnesota Power's contribution. Use a separate coupon for each type of product purchased.
- 2** To round up your old, working refrigerator or freezer, simply call 1-866-552-6755. We will pick it up for free and pay you \$50 for the first and \$35 for the second. Make sure you tell the customer service person you are participating in the Ending Homelessness program.
- 3** Minnesota Power will send your rebate in 6–8 weeks and count the number of contribution coupons submitted to determine the total contribution to the Heading Home St. Louis County Ending Homelessness fund.

It begins with you. When you replace an inefficient light bulb with an energy-efficient CFL bulb, dispose of an old refrigerator or freezer, or buy a new ENERGY STAR® clothes washer, refrigerator, or dehumidifier, you ensure a contribution to the Heading Home St. Louis County Ending Homelessness fund. And you benefit the environment by reducing your personal energy usage.

Please join Heading Home St. Louis County and Minnesota Power in achieving the goals of this worthwhile cause.
