

2008 FOUND MONEY HVAC SPECIALS Coupon

Additional "FOUND MONEY" Rebates Available from Minnesota Power

Starting April 1, 2008 and running through **June 30, 2008**, get an additional \$50 rebate (over the regular \$200 rebate—total \$250) from Minnesota Power when you install a qualifying furnace with an electronically commutated motor (ECM).*

Starting April 1, 2008 and running through **June 30, 2008**, get an additional \$25 rebate (over the regular \$50 rebate—total \$75) from Minnesota Power when you properly install a new unit or tune up an existing central air conditioner (CAC).*

Starting April 1, 2008 and running through **October 31, 2008**, get a \$375 combo rebate on the proper installation of a new central air conditioner *and* a qualifying high efficiency furnace with ECM motor.

*To receive additional rebate amount, this coupon must be attached to the standard rebate form. This form is available through your program trained contractor. To see a complete list of trained contractors, go to www.mnpower.com/hvacspecials or call 800-677-8423. You must work with a program trained contractor to qualify for these rebates.

**You must be a customer of one of the following utilities to participate.
