

Yes, I want to purchase wind power through Minnesota Power's WindSense program.

Please indicate the number of 100 kilowatt-hour wind energy blocks you want to purchase each month. Remember, each block is a \$2.50 investment.

- 1 block (100 kilowatt-hours per month)
 2 blocks (200 kilowatt-hours per month)
 3 blocks (300 kilowatt-hours per month)
 4 blocks (400 kilowatt-hours per month)
 5 blocks (500 kilowatt-hours per month)
 Other: Please specify total number of 100 kilowatt-hour blocks you wish to purchase each month: _____ (Please note that you cannot subscribe for more than your average kilowatt-hour usage per month, up to a limit of 20 blocks.)

If you need help determining the number of WindSense blocks you can purchase, call Minnesota Power at 1-800-228-4966. A customer representative will be glad to assist you.
