# 2021 CFL Fluorescent Bulb, Tube, and Lamp Recycling Program

Minnesota Power makes fluorescent light recycling as easy as a trip to your local hardware store. And we'll even help pay the recycling fee.

Here's how it works:

- Free recycling of Compact Fluorescent Light Bulbs (CFLs) with coupon. Simply bring your used CFL and a FREE recycling coupon to a participating retailer (see list on back).
- 50 cents off the recycling fee for qualifying fluorescent tubes and lamps.\*
- During 2021, Minnesota Power will redeem up to 10 coupons per household or small business if you are a Minnesota Power customer.

*\*Circular fluorescent tubes, U-bend fluorescent tubes, high-intensity discharge lamps, fluorescent tubes up to eight feet in length.*

## Fluorescent bulb, tube, and lamp recycling is good for the environment, and it's the law.

Used fluorescents and high-intensity discharge (HID) lamps require special care because they contain a small amount of mercury. Because it's important to limit the amount of mercury entering our environment, Minnesota law states that fluorescent bulbs cannot be disposed of with your household garbage.

## Get a rebate on new bulbs

Minnesota Power offers rebates on qualifying ENERGY STAR® LED bulbs. Find out more by visiting [mnpower.com/LEDBulbs](http://mnpower.com/LEDBulbs)

Learn more about energy conservation by visiting [mnpower.com/EnergyConservation](http://mnpower.com/EnergyConservation)

Minnesota Power partners with Mercury Technologies of Minnesota, Inc., in Pine City, MN, and area retailers to provide a recycling program for fluorescent lamps/bulbs.
